(vi) Institutional set-up for liquidity risk management

The Company's Board of Directors has the overall responsibility for the establishment and oversight of the risk management framework. The Board of Directors has established the Risk Management Committee (RMC) and the Asset and Liability Management Committee (ALCO). The position of all perceived risks is periodically put up to the RMC which critically evaluates the same and provides operational and policy guidance to the Company which paves way for an effective risk management so as to safeguard the interest of the Company. ALCO manages the liquidity and interest rate risk in a dynamic situation by measuring, monitoring and taking appropriate steps. ALCO is responsible for putting in place a comprehensive and dynamic framework to measure, monitor and manage the liquidity and interest rate taking into account the rates in financial system by closely integrating it with the business strategy of the Company.
