#EmployeeSpeaks

Joining SATYA was a turning point in my life, a decision I will never regret! I started as Regional Business Head with SATYA in 2017. Here, there are ample opportunities to upgrade your knowledge of the Microfinance Industry. SATYA gives you a dynamic and challenging environment where you can learn and grow. Today I am entrusted with bigger responsibilities and have been now working with SATYA as Sr. Vice President – UP West. I always wanted to work for an organization where I can guide, monitor, and lead my team in a way that makes them work enthusiastically together towards the organizational goals. I am grateful to work here and to be a part of SATYA family.
